**Reflections March Update**

The state-level judging for this year's Reflections contest was completed in February. Auburn Village School was well represented! 23 pieces of art from our students placed at the state level. Four of those were awarded first place and will now move on to the national level (Congrats to: Siddharth Krishna, Liam Welch, Addisyn Rolfe and Anna Stanton for their first place awards). First place finishers will also be celebrated at the PTA State Convention in the fall.

The state Reflections art exhibit will be held over two nights via zoom in May, this art exhibit will honor and showcase all entries that placed at the state level. National judging also happens in late spring, so we will be on the lookout to see how our four representatives from Auburn fare.

Next Year's Theme is: "I Will Change The World By".
